Serger 101

There will only be 4 students per class due to social distancing and everyone will be required to wear a mask.

The serger is a wonderful accompaniment to your sewing machine. We will demystify the serger in this class. By the end of the course you should be able to thread your machine and identify tension problems and know how to adjust it. Plus, you may learn new ways to use it.

Limited spaces available, November 3, 10, 17, 24.

6:30-8:30 \$96.95 plus GST
