Brother Stellaire XJ1

PR1055X

Are you ready to crush your creative goals? Good. We are, too. These 10 needles have never looked so good or been more productive. There's also a huge work area that's ready for you to think big – along with a library of built-in designs that'll help keep those creative juices flowing. Ready for more?

How about **MORE** fonts, **MORE** editing features and **MORE** technology that will take your projects to places you've only dreamed of? A total game changer? Yeah, we think so. Welcome to the creative side.

Brother Luminaire XP2

Revolutionary Technology That's Light Years Beyond

- Revolutionary StitchVision Technology Achieve perfect placement of your stitches and embroidery designs with the industry-first StitchVision Technology. Stitches and embroidery designs can be projected right on the fabric for precise placement. The 5" x 3" virtual preview area also displays guidelines in single, double and grid lines. An embroidery pointer with 3 color choices avoids having to mark fabrics with messy chalks.
- End Point Sewing Function Stop your stitch exactly where you want. InnovEye Plus Technology detects the Snowball End Point Sewing Sticker on your project, and the machine stops sewing at the sticker.

Get ready for a stellar sewing and embroidery experience with the incredible new Stellaire lineup from Brother, featuring the Innov-is XJ1 sewing, embroidery and quilting machine.

Packed with the latest luxury features you've yearned for as an experienced sewing and embroidery enthusiast, yet so easy to learn with its library of built-in instructional videos. With an easy-to-use mobile app, precisely position your designs and create one of a kind projects. With power, designs and space to create, it's time to bring Stellaire home.

Want to get the most out of your Luminaire Innov-is Edition? The **SAVRXPUGK2** Upgrade Kit is packed with new features to take your sewing game to a whole new level. There are new quilting sash patterns, including 2-colour quilting sash, triple stitching options for quilting sash patterns and so much more!

Tubular Frame Table

Embroider easily on sleeves, pants, and other tubular items.

Serves as extra support for big fabrics. Easily attach and remove with no space between machine and table.

PR-SERIES NEW OPTIONAL ACCESSORIES *Experience Even More Possibilities with Optional Accessories*

Magnetic Sash Frame

Patent-Pending Brother Exclusive Hoopnetic Magnetic Sash Frame Hoop and embroider thick materials with ease. Avoid fabric shifting and the need to rehoop the fabric when connecting designs or embroidering large areas. Just slide the fabric on the frame for the next area to be embroidered.

Flat Brim Cap Frame

Patent-Pending Industry-First 'Scratch-Free' Flat Brim Cap Frame Embroider more types of hats than before with the easy-to-use 'scratch-free' cap frame.

You can stitch an industry-leading 35% closer to the brim (6-10mm), depending on the cap.

Brother CADXMATF12 Fabric Mat

This mat features tacky adhesive to secure material for cutting and can be used multiple times. It has been specially designed for thin cotton fabric (0.25 mm) and flannel (0.5 mm) and is perfect for cutting quilt pieces. For best results, use it with the Brother thin fabric auto blade (sold separately).
