CRAFTING ScanNCut 2 CM650W

Take cutting and crafting to a whole new level with Brother's ScanNCut2, the world's first home and hobby cutting machine to feature a built-in scanner. With advanced features and functions, this machine helps you create the unique projects you've only ever dreamed of. Its 300 DPI scanner can scan virtually anything, like handmade drawings, magazine clippings, cherished photos and more, to create and save endless cut designs.

Loaded with ready-to-use projects, visit canvasworkspace.brother.com to download our **FREE cloud-based software** with no annual fee or subscriptions required.
