Essential Tool Set

Heat Transfer Vinyl Pastel (x5)

A Cut Above the Rest

Precision and Speed

SINGER® MOMENTO™ performs quickly and seamlessly, even when working with intricate designs and fonts.

Extra Large LCD Screen

A built-in, full-colour LCD screen, displays everything you need for cutting including preloaded fonts and presets.

Mat-less Cutting for Select Materials

Craft even faster with mat-free cutting capabilities across a wide range of materials with backing.

Included Rotary Blade

In addition to the included basic blade, your machine comes with a premium rotary blade that lets you cut fabric without pre-bonding.

Quilting Features

Each machine includes five preloaded quilting shapes and can cut over eighty 2.5" (6.35cm) quilting squares in a single pass.*

Stability

A rear extension door provides extra support for larger projects, with or without a mat.

mySewnet™ Crafting Software and more!

Basic Crafting Software is FREE. Comes with a 30-day FREE trial of a mySewnet™ SILVER subscription, with access to use over 1,600 design files and 150 font styles.

WiFi Connectivity

Send designs from your computer to your SINGER® MOMENTO™ craft cutting machine without extra cords.

Adjustable LED Light

Set the lighting as bright or dim as you want—whatever works best for your space.
